A power sector and engineering veteran with **35+ years** of industry experience, including leadership roles at Siemens. He provides **technical oversight** for **asset-heavy insolvencies, with strong capabilities** in stakeholder management and operational continuity.

OUR SERVICES

01 Corporate Insolvency Resolution Process

Engaging with all stakeholders to formulate and implement a viable revival strategy, conducting meetings and managing resolution applicants, preparing the Information Memorandum, and ensuring a structured, transparent, and compliant CIRP process throughout.

03 Creditor-Initiated Insolvency Resolution Process (CIIRP)

Effective April 06, 2026, CIIRP is a creditor-led, out-of-court framework for faster insolvency resolution while preserving business continuity.

We provide end-to-end support—from initiation to compliance—ensuring efficient, transparent, and value-driven outcomes.

05 Corporate Restructuring & Turnaround

We help businesses with turnaround strategies, restructure debt and operations to restore value and stability. Our IBC-led expertise enables sustainable recovery and growth.

02 Liquidation Process

Focused on preserving value, mitigating risks, and safe guarding stakeholders interests while adhering to statutory and regulatory requirements while ensuring value maximisation & equitable distribution in accordance with the IBC.

04 Personal Insolvency

Confidential IBC support for individuals and personal guarantors—assessment, claims, creditor management, and fair resolution for financial stability.

06 Asset Sales & E-auctions

We execute compliant, transparent asset sales to maximise value in insolvency and restructuring.

07 Support Services

All support services necessary to enable and facilitate stakeholder participation and compliance across processes governed under the IBC, 2016.

Indepth IBC Expertise :

Handled end-to-end IBC mandates as IRP, RP, Liquidator and Advisors across MSMEs and large corporates, with claim exposure running into thousands of crores of rupees.

Integrated Financial, Legal & Operational Strength:

A powerful blend of Industry Professionals with senior management experience, CAs, CS, Advocates & Registered Valuers delivering commercially viable compliant outcomes.

Proven Multi-Sector Experience:

Extensive experience of handling insolvency processes across manufacturing, infrastructure, real estate, power, hospitality, healthcare and services—managing asset-heavy and complex businesses.

Strong Resolution & Liquidation Track Record :

Successful resolution plans, going-concern sales and liquidations, even in highly litigated and stakeholder-intensive matters.

Trusted by Creditors & Institutions :

Empanelled and regularly engaged by leading banks, NBFCs, ARCs and consortium lenders, with alignment to creditor's expectations of balanced approach and compliance rigor.

Network of Professionals and industry experts

We have a significant network of professionals, industry experts, academicians, technology experts for consultation and engagement for effective solution for various assignments
